## Exempt Status and Charity/Foundation Status Information Form

Indiana Youth Institute is required by law and Internal Revenue Service (IRS) regulations to determine the exempt status and the public charity or private foundation status of each organization to which IYI makes a grant. Therefore, it is necessary that you supply the following information, attach the requested documents, affix the signature of a responsible officer of your organization and return one copy of this form and the requested documents to IYI before we will be able to process your application for a grant

**1. Name, Address, Phone, EIN:** Exact name, address, phone number and employer identification number (EIN) of your organization:

**NOTE:** Organizations without an IRS determination letter will need to establish their public charity status with independent and adequate documentation. For example, a congregation may be covered under a group ruling granted by the IRS to its parent denomination or judicatory; in such a case, the congregation would need to provide documentation of both i) the parent's group ruling and ii) the congregation's inclusion as a "subordinate" organization covered under that group ruling.

**4. Effect of Grant:** If your organization is not now a private foundation, will receipt of the grant requested from Indiana Youth Institute cause your organization to become a private foundation?

Yes  No

**5. Lobbying:** Does your organization make expenditures to carry on propaganda or otherwise to attempt to influence legislation?

Yes  No

If yes, please attach an itemized budget for the project or program for which you seek a grant from IYI showing that no part of the grant will be used for such activities.
